

10" MirrorMedia Bathroom Basin MT10BBND-TT

SPECIFICATIONS

www.mirrormedia.com

At first sight Mirror TV Bathroom looks familiar. It's a demisting Mirror.

Then you hit the remote control. Suddenly it's not a mirror, it's a flat screen TV.

With a range of screen sizes available in either to screen size, inset within Bathroom Basin models or bespoke where the size and design of your mirror is only limited by your imagination.

Imagine getting the news, your latest stocks and shares whilst brushing your teeth or watching your favourite soap as you lather up in the bath. The possibilities are endless.
